

## REGISTRATION RULES

- A minimum of five and a maximum of seven delegates are required to form a delegation.
- Incomplete or late submission of the registration form/registration fee can unfortunately result in the team not getting registered for the conference.
- Participants should make sure they meet all of the requirements on time and double-check everything before submitting the final version of the registration form in order to avoid any sort of disruptions on the day of the event.
- Please note that after submitting each team's part on the registration form, the data will be kept in our database, therefore if you need to modify any of the submitted sections, please contact us at [mun@isl.school](mailto:mun@isl.school) or contact our registrations team beforehand in order to avoid any sort of inconvenience.
- It is necessary for all the delegations to have UNSC, SOCHUM, UNHRC, DISEC and PNA as their compulsory committees. CRISIS Committee and ICJ are optional if the delegation exceeds more than 5 people.
- Team registration will be completed and verified once the school's accounts office confirms the payment of the delegate fee and the delegation fee. Once the process is completed, your teams will be notified followed by the allotment of countries/personalities to the number of teams you registered.
